

Greetings from Kindai University in Osaka, Japan!

The Kindai Short-Term Japanese Program is a 3 weeks' program with Japanese language classes and culture experiences that is available only for our partner university students.

We have held this program twice so far and both of them received a lot of high reputations from participants.

In response to popular demand, we decided to host another one in January!

For the details of the program, please refer to our website.

We would sincerely appreciate it if you could share the information of this once-in-a-lifetime experience program to your students by forwarding this email along with the attached flyer.

Should you or your students have any questions about this program, please feel free to contact us anytime.

Your continued support is much appreciated.

We sincerely hope that our program becomes your students' winter holiday destination!

Best regards,
